

# THE GLOBE-REPUBLICAN

THE FORD CO. GLOBE, Established 1877.  
THE FORD CO. REPUBLICAN, Established 1886.

DODGE CITY, KANSAS, THURSDAY, JULY 8, 1909.

Thirty-Second Year, XXXII, No. 41.

## MAY NOT BE BAD

REPORT RECEIVED ABOUT  
WRECK OF NO. 5, PROB-  
ABLY EXAGGERATED.

## GREAT FLOODS EAST

Tracks in East Part of State  
and Portions of Towns Were  
Under Water.

There was a report in town this morning that a lot of people had been drowned in a wreck on the second section of Santa Fe Number 5, which should have reached here last night. The only definite report that could be obtained here today was that one child had been drowned, and other passengers injured. A man who came in from the east today claims that he talked with a passenger who escaped from the wreck, and who got out by climbing through a window from a car that was nearly filled with water. This man stated, it is said, that no one knew how many had been drowned. What the facts are can not be learned here today, but the impression is that not many lives were lost.

The wreck was caused by high water. There was a great flood from Topeka south yesterday. None of the passenger trains could run over the road from Topeka to Emporia yesterday afternoon. They were routed over the Holiday-Emporia cut-off. The second section No. 5, was caught in the flood between Osage City and Quenemo, and it is understood that some of the coaches were overturned in the water.

The line is open this evening it is reported, and the trains will probably be running on the usual time from now on.

## AFTER ELEVEN YEARS

Hired A Team On A Contract Eleven Years  
Ago, And Is Charged Now With  
Stealing It.

Eleven years ago, according to the petition in the case just brought against Clarence Wilson, the defendant disappeared with a team which was the property of Mr. Keith, now of Fort Dodge. Wilson, according to the petition, had hired a team in 1908, agreeing to give Keith half he earned with it as pay for its use. A second contract was made something like the first. Since that time, Mr. Keith claims he has been hunting for Wilson and the team. It is understood that Wilson has been as far east as New York since that time. Recently Keith learned that he was living in Kansas City, and he got out a warrant charging him with stealing the team, and he was brought here to charge this week.

A preliminary hearing was held before Justice Hobbie yesterday, and Wilson was bound over to the district court for trial. The case is a peculiar one, and it is not known what Wilson's defense will be. He is employed Seates & Watkins of his place for his attorneys.

## Card of Thanks.

Mr. and Mrs. W. O. James and relatives wish to thank the many friends who extended their kind help and sympathy in the sickness and death of our little daughter, Crystal, to the ladies that sent the beautiful flowers as a token of their sympathy, and have been unable to learn where they came from, but the kindness will never be forgotten. We wish, especially, to thank Mr. and Mrs. German, who opened up their home to our little one during her last hours with us.

A Colorado man who has been harvesting for Mr. Saunders on Duck creek, was victim of the heat last week, and later was taken violently insane. He was brought to the county jail for safe keeping, and the last day or two has been improving. It is believed that he will completely recover in a short time.

The S. S. embroidery club was entertained by Mrs. Harry Horner last Friday evening.

## CITY COUNCIL

Meeting Last Night Adjourned Without Any  
Action On the Water Works Question

The city council met last night, and transacted the regular routine of business for the month. Not all of the members were present, and the regular meeting kept the council busy until a late hour, so that an adjournment was taken until tonight to consider the waterworks proposition. The city has been doing a lot of work putting in crossings, in preparation for Free Delivery, and the past month has been an expensive one, probably the most expensive of the year.

The waterworks matter looks like something of a tie-up. It is understood that the company will not accept less than \$35,000 for the part of the system the council wants to buy. It is also understood that the council will not pay more than \$30,000 for the property. The company has made one proposition to leave the value of the plant to three competent engineers one to be selected by the company, one by the city and the other by these two. It is possible that a deal may be made upon the last basis. No one seems to know just now how the council stands as a body on this deal. It appears certain that the majority favor municipal ownership, and it is believed that the majority would vote to buy the present system for \$30,000. The company evidently has legal advice that the plant must be bought to annul the franchise, while at least a part of the councilmen believe that the company has no rights whatever. This part of the matter will have to be settled in the courts of course, unless the company and the council get together on some sort of a deal.

## CUN CLUB HANDICAP

Hubbard Won Two First Prizes and High  
Average—A Lot of Good Scores  
Made By Club Members.

The Merchants Handicap shoot given Monday morning by the local Gun club had twenty-five entries, and a number of the club made good scores. There were five events of fifteen birds each. The high average score was made by H. L. Hubbard, who broke seventy out of the total seventy-five. The following list gives the winners of each event, with the number of targets broken, and the name of the firm that furnished the prize:

First Event—First prize, Hubbard 15; York-Key Mer. Co. Second prize, Crutchley 14; E. C. Sturgeon. Third prize, Jacoby 13; Cochran Drug Co.

Second Event—First prize, Wolf 15; Dodge City Mer. Co. Second prize, McCurdy 14; Globe Clothing Co. Third prize, Teeters 13; Palace Drug Co.

Third Event—First prize, Jacoby 15; Waring & Miller. Second prize, Jacobs 14; Palace Drug Co. Third prize, Groninger 13; V. J. Tiefenbach.

Fourth Event—First prize, Hubbard 15; L. J. French & Co. Second prize, Crutchley 14; Geo. T. Martin. Third prize, Jacoby 13; City Hardware Co.

Fifth Event—First prize, Stanfield 15; Wm. E. Greene. Second prize, Crutchley 14; Rath & Bainbridge. Third prize, Vernon 13; Home Furnishing Co.

General average prize—Hubbard, Bankers gold prize.

Those who entered, and the number made out of the total seventy-five, will be found in the following list: Hubbard 70, Crutchley 68, Luther 66, Jacoby 66, Slocum 66, Vernon 65, Baird 65, Marsh 63, McCurdy 63, Wolf 63, States 63, Lam 60, Teeters 60, J. Miller 53, Groninger 57, Noble 57, Stanfield 57, Milton 52, Thompson 50, Rath 50, W. Miller 49.

Jacobs, out of a total 60 made 50; Grose 49; Fowler 43; Sturgeon only shot at 15 targets, breaking 6.

## CORN GETS MORE RAIN.

Tuesday Evening's Rain Storm Furnishes  
Moisture to Keep the Corn Booming  
in Ford County.

The weather bureau here reports a rain fall of .84 of an inch on Tuesday evening and .10 on Wednesday evening of this week, and this starts the month of July off with all the moisture that is needed. The June rains made the finest fields of corn ever seen in the county, and a few more rains at the proper time will insure that 1,000,000 bushels of corn. The harvest is not half over yet, and the farmers are not calling for rain just now; but the showers are making money in the corn fields, and so far have not interfered seriously with the harvest.

A message was received by Sheriff Bell today, stating that T. H. Blake, held here as a suspect, is wanted at Ellinwood for horse stealing. He was arrested here with Geo. Jackson, who also had a "borrowed" horse, and who has been sent to the reformatory.

## RACE MEETING

Park Association's Usual Fourth of July Races  
Given Monday. Preparing for Circuit  
August and September.

The Driving Park Association gave a racing matinee on Monday afternoon at the park, this being its usual Fourth of July meeting, when it annually warms up the track before the regular fall races.

The entries were not large Monday afternoon, but the races were interesting. The first was the 2:35 pace, half mile for \$75 purse, won by Dondanville's Marie in 1:09. Prough's "Shipshawana King" was second and "Babe Wilkinson" third.

The Free-For-All Pace, half mile, for \$75 purse, was won by Dondanville's "Helios" in 1:06, best time. "Chief Venustus" was second and Wilkinson's "Gideon" third.

The 2:30 trot and pace was won by Wilkinson's "Dolly," half mile; best time 1:13, in two heats; "Gordon Reward" and "Red Man" divided second money.

The three-eighths mile dash was won by "Mamie Marsh," owned by Mr. Tinscher, of Plains; "Buster Brown," owned by F. Bailey, of Jetmore, was second, and "Daylight," owned by Bob Dowdy, of Dodge City, third. Time, 37 1/2.

The Fair and Driving Park Association will go in on a circuit with Garden City, Kinsley, and Larned. The fall races here will begin August 24th. Garden City's date will be the week before that, and Kinsley will follow Dodge City, and the week after Kinsley will be taken by Larned. The Association expect a good string of horses over this circuit.

## DEATH OF MRS. COOPER.

Passed Away Suddenly From Heart Trouble.  
Remains Taken to Missouri for Burial.

Mrs. Florence Cooper, wife of M. Cooper, who has been living on the Ward ranch for the past year, died suddenly of heart trouble at her home, on last Thursday. She leaves her husband and a little 2-year-old child. Mrs. Cooper was a woman of much refinement, who was much loved and admired by her many friends, and her sudden death is a severe blow to the husband. The remains were taken to Mrs. Cooper's girlhood home at Pittsburg, Missouri, for burial.

The loss of his wife will cause Mr. Cooper to move back to Missouri, where he can have his child looked after better than upon the ranch here. He was much interested in wheat farming here, and had just started to harvest a four hundred acre crop when his wife's sudden death came.

## RINK TO BE REMODELED.

Large Garage Will be Established in the  
McCarthy Rink in Dodge City.

Mr. Fred Edison has rented the McCarthy rink, and will establish in the building a large garage and auto livery business. Mr. Edison is one of several brothers who have garages at different points in the state, and it is understood that the one at Dodge City is to be the largest one they have yet put in. About \$3,000 will be spent in fitting up the repair department, and machines will be kept for doing a livery business. It is understood that Mr. Edison will sell one or two makes of autos, but the chief business will be the repair and livery part.

Ford county was one of the last places in the state to take the automobile idea seriously, but in the last two years a great many machines have been sold here, and there are few counties in the state where so large a percent have been sold to the farmers. At present it promises to be one of the foremost counties in the state for machines, and this fact attracted Mr. Edison to Dodge City as a splendid location for a large garage, even though there are two here.

## AN INTERESTING MEETING

Union Service Attended Last Sunday by  
Primary Department of Two Schools.

The Presbyterian and Christian Sunday schools of this city have regularly organized a primary department. Last Sunday, July 4, these primary departments met on the court house lawn in a reunion service. The grounds were appropriately decorated with flags and an interesting program was rendered by ninety-two primary children and their attending teachers. The special features of the program were: An address by S. O. Goblentz of Topeka, representing the Kansas Children's Home society; a talk on the flag by Mrs. J. C. Prough and the reading of Scriptural references containing the words "Red, White and Blue," by Mrs. Davies.

Much credit is due Mrs. Tice of State Sunday school worker and the Primary superintendents with their able corps of teachers, for the excellence of the program.

## THE GLOBE

ANDERSON & ERHARD  
CLOTHIERS

All Wool  
Serge Coats  
\$3.30

Fancy Black  
Unlined Coat  
\$2.50

## Being Pelted With Dollars

And making no effort to catch them would be about as wise a proceeding as buying clothing without first coming here and learning our prices—and it would be about as profitable. Money saved is worth about as much as money earned, and if we can beat all other prices it must mean money saved. That we can do this the values we are giving in clothing and furnishings will prove. Compare our prices and values with others and remember that we satisfy you as to quality of the goods before we sell.

This is the time of year when most men need one or two pair of extra Trousers for the hot days. Notice the special values we are offering.

\$4.00

We will give you a discount of 20 per cent on any pair of trousers in our house. \$4.00 gives you your choice of any \$5 trouser in our house

\$3.20

Gives you your choice of any \$4 Trouser in our stock. They are all new and up-to-date.

\$2.80

Gives you your choice of any \$3.50 Trouser in our house. Any size and almost any kind.

\$2.40

Gives you your choice of any \$3.00 Trouser in our house, the Blue Serge Trouser included.

## Summer Underwear

So thin and cool that it is more comfortable to wear it than to go without it. Still the thinness of underwear is not everything. The underwear must be right to insure satisfaction. We know ours is right. If it were not we would not have it.

Feather Weight  
Nainsook Shirts  
and Drawers

Shirt coat, cut short sleeves, drawers knee length, for 50c garment, \$1.00 a suit.

India Crepe

Light and cool for extreme hot days—short sleeves and knee length drawers. For \$1.00 a suit.

Balbriggan Shirts

A regular 35 or 40c garment in nice clean balbriggan shirts or drawers for 25c

Aermesh

Something new in a hot weather union suit. Cool as can be had and very desirable. \$1.00 a suit.

## THE GLOBE

### Resolutions.

WHEREAS, the Ford County Normal Institute is about to close its annual session of 1909;

WHEREAS, said session has been an unusually successful one, on account of the zeal and earnest efforts on the part of both the members and instructors, and

WHEREAS, the residents of Dodge City have contributed to the success and pleasure of the term by their spirit of hospitality to us; therefore be it

Resolved, that we, the teachers of Ford county, commend the good judgment of our superintendent in securing S. V. Mallory, W. E. Ray and J. E. Coe as instructors, who have given their best efforts to make the institute a success.

We especially commend Prof. Coe upon the ability he has shown in his portion of the work. He is an able scholar and we find in him the gentlemanly principles so much needed in educational work. We wish to thank him for the interest he has manifested in maintaining extra classes in the afternoon and his inestimable assistance in the Normal athletics; be it

Resolved, that we express appreciation for the return of Prof. Ray, who has endeavored himself to the members of the institute by his spirit of sympathy and helpfulness, and the skillful and original manner in which he has presented his work.

The members of his algebra class are especially grateful to him for the extra assistance he has given them; be it

Resolved, that we express our gratitude to Conductor Mallory for the efficient manner in which he has conducted his work. We extend to him special thanks for the superior plans he has pursued in the Theory classes, and for the general high tone to which he has elevated the institute. We earnestly advocate and heartily endorse his election for State Superintendent, a position he is pre-eminently qualified to fill.

Resolved, that we express our appreciation to Miss Viva and Mr. Carl Anderson for their efficient services in conducting the music of the institute.

Resolved, that we extend our thanks to the ministers of the city, and other visitors, for their encouragement and assistance in our work.

Resolved, that we thank the honorable school board for the use of the school building.

Resolved, that to our genial friend and County Superintendent, Richard Bodfield, we owe much of the good we have received from the institute. His efforts to assist the teachers have been ever ready and effective, and we are pleased with the excellent manner in which the

work has been conducted. His companionship with the young men has been largely responsible for an increased membership of young men in attendance in this institute.

We heartily endorse him for re-election to the position which he fills so creditably.

Resolved, that a copy of these resolutions be sent to each of the county papers.

F. K. BALDRIDGE,

Chairman;

MAMIE WORKER,

O. L. SAMPLES,

NELLIE NUHRUE,

FLORENCE MILLS,

CLARA SMITH,

Committee.

Mrs. Clyde Smith entertained Wednesday afternoon for her cousin, Miss Evans, who is visiting here from Walsenburg, Colo. Those present were: Misses Sadie Hanna, Grace Gwinner, Mary Allen, Maude Rhodes, Elma Schmidt, Eleanor Milton, Sally Hardesty, DeEtte Reighard, Mrs. Warren Winterburn. The afternoon was spent in playing "500." Miss Milton receiving first prize and Miss Gwinner the consolation. A dainty luncheon was served. Mrs. Smith was assisted by Mrs. Merritt Beeson.

Mrs. C. E. Smith and Mrs. Storm will leave in a couple of weeks for a trip to Colorado.

L. J. Pettijohn and son, Horace, went to Liberal today on account of the serious illness of Mrs. Pettijohn's father. Mrs. Pettijohn has been there for the past week or two. The condition of Mr. Wright is still critical, but while there has been no improvement in the last week he seems to be no worse.
